

Test, treat, and advocate under one plan.

For children, teens, and families navigating autism and neurodivergence in Tampa Bay (Hillsborough, Pinellas, Pasco, Hernando), with telehealth statewide. One practice, one coordinated plan, so families don't have to assemble the pieces themselves.

What we offer

ASSESS

- Autism assessment tools (ADOS-2, ADI-R)
- Academic, executive functioning, adaptive & transition assessments
- Functional Behavior Assessments (FBA)
- Written report + family feedback session

TREAT & SUPPORT

- Assent-based, trauma-informed ABA (ages 2–21)
- Behavioral feeding therapy
- Counseling for children, teens & adults
- Behavioral consultation
- Parent coaching (Triple P)

ADVOCATE & EDUCATE

- IEP & 504 advocacy (non-attorney)
- Meeting prep & attendance
- Dispute-resolution preparation
- Workshops for schools & organizations

When to refer

- New or suspected autism diagnosis and family needs next steps
- Behavior, meltdowns, elopement, or unsafe behavior at home or school
- Food refusal or very limited diet (after medical review)
- School isn't meeting the child's needs, or an IEP/504 is coming up
- Anxiety, regulation, or family stress
- Teen preparing for life after high school

Why refer to OBHS

- **One coordinated plan** across testing, ABA, advocacy, and counseling: fewer handoffs.
- **Fast response:** we contact new referrals within one business day.
- **Funding help:** insurance and FES-UA accepted; we verify coverage at no cost.
- **Neurodiversity-affirming**, trauma-informed, culturally responsive care.
- **We close the loop:** updates to you on shared clients, with written family consent.

How to refer

1. Call or fax us, or have the family book a free 15-minute consultation online.
2. We contact the family within one business day.
3. We verify coverage, complete intake, and update you (with consent).

Please send referrals with client health details by fax or phone, not regular email.

Karmelyn (Kaye) T. Lee, M.S., M.L.S., BCBA, LBA, RMHCI · Board Certified & Licensed Behavior Analyst · COPAA Special Education Advocacy Training Instructor · Master of Legal Studies, Education Law & Special Education Advocacy · Graduate Certificate, Secondary Special Education & Transition (University of Kansas) · ADOS-2 & ADI-R trained and certified · Accredited Triple P provider · Member, Hillsborough County Superintendent's Special Education Advisory Council

Counseling is provided by a Registered Mental Health Counselor Intern (FL IMH29564) under licensed supervision. Advocacy is non-attorney advocacy, not legal advice or legal representation, and is separate from OBHS clinical services. Assessment results support planning; formal diagnoses are made by appropriately licensed professionals. Behavioral feeding does not replace medical care.
